Dear Councilmember Maddox,

I would like to re-submit the name of Ms. Cindy Dennis to the TAD Advisory Committee. Ms. Dennis was a nominee to serve on this committee, prior to its reorganization. She is currently serving as NPU D's chairperson, thus qualifying as a representative from a Neighborhood Planning Unit. Ms. Dennis has lived in the Whittier Mill Village community for the past 4 years and has been involved in the Whittier Mill Park update and renovation.

Thank you for your consideration of this recommendation.

Sincerely,

Personal History:

I moved to Atlanta from small town Alabama on April Fool's Day 1995. I loved Atlanta the first time I visited, and still love it today. I originally intended to move here and finish college at Georgia State, with yet another change of Majors, this time to Journalism. So I arrived and began waiting tables and bartending, everywhere from Downtown to Buckhead to Virginia-Highlands to Grant Park. Along the way, I bought my first home in Grant Park, and that's when I became interested in Real Estate. When I moved to Whittier Mill Village in August of 2002, I became involved in the community, which quickly led to becoming elected as the Chair of NPU-D.
